

WILL COUNTY WASTE & RECYCLING CONTRACTOR REPORTING FORM

REPORTING PERIOD
Jan. 1 st - June 30 th _____ (year)
July 1 st - Dec. 31 st _____ (year)

The Will County Waste Hauler Reporting Ordinance requires your company to submit a written report to the Will County Land Use Department, RR&E Division, every six months. All materials hauled from Will County homes, businesses, institutions, jobsites, etc. (in both municipalities and townships) during the previous six-month period must be reported. Please report your best estimates in either cubic yards or tons. **This report is due 30 days after each six-month reporting period ends.**

To reduce paper, please provide your e-mail to us now: _____
