

WILL COUNTY WASTE/RECYCLABLES COLLECTION REPORTING FORM

The Will County Waste Hauler Reporting Ordinance requires your company to submit a written report to the Will County Land Use Department/RR&E Division regarding your company's hauling of solid waste and recycling during the previous six-month period. Reports should include your best estimates for the amounts of waste and recycling hauled from all Will County municipal and township sites. Please report the data in either cubic yards or tons. If you have questions, call Marta Keane at 815/727-8834 or email at mkeane@willcountylanduse.com. **This report is due 30 days after each six-month reporting period ends. Please download this form, complete it and return via e-mail or fax.**
