

America Recycles Day

Romeoville Recreation Center
900 West Romeo Road
November 12th
8:00am - 12:00pm

Creating Bows & other Items from Recyclable Materials Workshop

Lights for Learning - Using the 'energy bike', students understand how energy is actually used by 'becoming the power plant' and attempting to generate enough energy to power light bulbs. They will also have energy efficient products for sale.

For more information please call 815-886-0279
